A screenshot of a web browser displaying the Blender.org website. The browser's address bar shows "https://www.blender.org". The website's navigation menu includes "Features", "Download", "Support", "Get Involved", "About", "Donate", and "Store". The main content area features a large, colorful, abstract 3D mesh rendered in shades of green, purple, and red. A white mouse cursor is positioned over the mesh. A video player is overlaid on the bottom left of the page, showing a man in a white shirt and glasses. Two pink text boxes are overlaid on the main image: the top one says "Blender Open Data" and the bottom one says "The beta release of the official Blender Benchmark is out." The video player has a small "er.org" label at the bottom left corner.
